Definitions

Psychic - A person sensitive to influences or forces of a nonphysical or supernatural nature.

Medium - A person thought to have the power to communicate with the spirits of the dead or with agents of another world or dimension.

Astrology - The study of the positions and aspects of celestial bodies in the belief that they have an influence on the course of natural earthly occurrences and human affairs.

Bodyworkers - A term used in alternative medicine to describe any therapeutic or personal development technique that involves working with the human body in a form involving manipulative therapy, breath work, or energy medicine.

Akashic Records - A sacred compilation of information about one's soul. At the time we make the choice to experience life as an independent soul, there is a field of energy created to record every thought, deed and action. That field of energy is the Akasha (Sanskrit for the energetic substance from which all life is formed).

Medical Intuitive - A practitioner that uses their self-described intuitive abilities to find the cause of a physical or emotional condition. Other terms for such a person include medical clairvoyant, medical psychic or intuitive counselor.

Past Life Readings - A psychic reading that focuses on the influences that a past life may have on one's present life.

Healing Modalities - Alternative healing practitioners using natural and holistic guided techniques such as reiki, energy work, essential oils, nutritional supplements etc.

Pet Communication - An animal communicator, also known as a pet psychic, can telepathically talk with your pets whether they are living or in spirit form. They will give you vital information for their and happiness and wellness.

Tarot Card Readings - The use of a special set of cards to help guide a person with information about their present and what their future may hold.

Spiritual Counseling - People helping others along their path to spiritual growth. The objective can include finding a life purpose, overcoming obstacles, and putting pain AND grief into perspective.

Spiritualist Churches - Churches that believe in the science, philosophy and religion of continuous life, based upon the demonstrated fact of communication, by means of mediumship, with those who live in the Spirit World.

Businesses and Organizations - Companies or organizations that promote healing or metaphysical principles to people.

Psychic Fairs, Events and Expos - Listings of events that feature psychic readings, vendors, classes, workshops etc.
